RURAL LIBRARIES**

APPLY SEPT. 21 – DEC. 2, 2020

ALA Grants Lead to Community Conversations

The American Library Association (ALA) invites libraries in small and rural communities to apply for grant funding to assist in addressing issues of local concern through community conversations. This grant project is titled “**Libraries Transforming Communities: Focus on Small, Rural Libraries.**”.

Up to 650 U.S. libraries in small and rural communities will receive \$3,000 each to tackle issues ranging from media literacy to COVID-19 safety to unemployment. The deadline to apply is December 2, 2020; grants will be awarded in 2021.

Libraries Transforming Communities: Focus on Small and Rural Libraries is part of ALA's longtime commitment to preparing library workers for an expanding service role. This grant initiative is offered in partnership with the Association for Rural & Small Libraries (ARSL) and is supported by a private donor along with the Institute of Museum and Library Services (IMLS).

Many Iowa library directors heard about this at District Office Hours recently.

Merservey Public Library Director Chelsea Price

(chelseaprice@meservery.lib.ia.us) and Southwest District Consultant Becky Heil (becky.heil@iowa.gov) are on a national committee to help spread the word about this grant program. Early Literacy Calendars From PLA

The Public Library Association has very cool and colorful **early literacy calendars** available to usher in the new year. Based on the **Every Child Ready to Read** practices of reading, writing, singing, talking, playing, and counting, each download contains twelve months of learning activities, books lists, nursery rhymes and more.

One side displays daily skill-building activities; the flip side contains supplementary content like nursery rhymes, early literacy tips, song lyrics, or suggested reading material. The calendar pages are also customizable with each containing a designated spot to add your library's logo and contact information. Use these calendars to help your library's patrons engage in early literacy activities every day of the year.

These calendars are not free, but they are affordable at \$29.99 from the ALA Store linked below. PLA provides this idea for how to use the calendars locally: Herrick District Library in Michigan incorporated the 2020 Early Literacy Calendar into its

online resources by creating a gallery of early literacy activities and caregiver tips, which included on-demand videos of their children's librarian sing-a-longs, book recommendations, and PDFs of the calendar.
